I have been in the presence of 'The Rae of SonShine' during two opportunities to hear her in action on stage and both time I walked away feeling like my heart was lifted and the birds were singing! Ralene truly embodies more than a normal speaker. She has a gift of connection, collaboration, impression, and a generous smile. I would encourage you to book her for your next event. Problems to Potential!*

Propel Problems to Potential

Using enlightening and amusing antidotes, Ralene identifies that despite the problems, pain and panic people experience in their lives, inside them is the power to live on purpose. The audience is empowered to turn negative situations into a place of purpose, potential and peace. She authentically shows that life is worth living one day at a time.

Ralene's dedication and willingness to help others through the power of her compelling story is apparent. Ralene's manner is warm and inviting, yet her impact and effectiveness is mighty.

Minister Ralene Berry is truly a woman of God, she truly filled our hearts and that of our young children. My grandchildren after her messages, asked if Wonder Woman was coming to church as she mesmerized them. Our theme "The Power of God's Word" was right in line with her amazing message."

The light shines so bright from within! These are the words that came to mind recently when I had the opportunity to hear the wonderful Ralene Berry at the Speak Your Truth Conference. Ralene created a hug with her words, a connection with her story, and warmth in our hearts with her infectious smile. There is nothing more beautiful than a woman who shares her light with others, and Ralene is truly and inspiration to all.
